

June 13th, 2024

Your Excellency,

It is with great honor that I am writing to inform you that Institute G. Marconi of Dalmine, Bergamo, Italy, has been named in the Top 10 shortlists of the World's Best School Prizes 2024 for the Innovation category. They have been selected from thousands of applications from schools in 100 countries worldwide. Please accept my sincere congratulations.

The World's Best School Prizes, an initiative from [T4 Education](#), are the world's most prestigious education prizes. The five World's Best School Prizes - for Community Collaboration, Environmental Action, Innovation, Overcoming Adversity, and Supporting Healthy Lives - were established in the wake of COVID in 2022 to give a platform to schools that are transforming lives in their classrooms and beyond, showcasing and democratising their best practices to help improve education everywhere. Our aim is to spotlight schools whose principals, teachers, and communities have demonstrated exemplary school culture, including leadership and innovation, to enhance the education and lives of their students. This school has exemplified these qualities, and thus deserves a warm celebration.

I am inviting you to join us in celebrating Institute Guglielmo Marconi's achievements and support them in amplifying the news of their inclusion in the shortlist.

To this end, we encourage you to share and amplify this news through your communication platforms and to urge everyone to vote for this school in the [Public Vote](#) instance, which opened today, to help them win the Community Choice Award.

Let it be our shared intention that all schools in your country/city, and the world, become aware of Institute Guglielmo Marconi's achievements and are inspired to follow a similar path of continuous improvement. By doing so, we can catalyse a global grassroots learning community of schools and by showcasing best practices, inspire others to undertake the same journey toward excellence.

I would greatly appreciate your support in disseminating this remarkable achievement of an exemplary school across all borders, thereby creating a path for establishing strong schools and stronger societies.

Once again, I would like to congratulate you on Institute Guglielmo Marconi's achievement, and I look forward to your support.

Yours sincerely,

Vikas Pota
